Examiner's Comment

A copy of the Supplemental Reissue Declaration of February 27, 2002 was sent via FAX to the examiner on March 13, 2002. The examiner indicated that the Supplemental Reissue Declaration of February 27, 2002 was defective because it did not specifically point out the errors in the original patent. The Second Supplemental Reissue Declaration of May 2, 2002 was sent via FAX to the examiner on May 2, 2002. The examiner indicated that the Second Supplemental Reissue Declaration was proper and would place the application in condition for allowance. The examiner indicated that the Amendment After Final of November 28, 2001 would be entered and would place the application in condition for allowance. Applicant will be charged for a two-month extension of time. A copy of the initialed IDS of November 28, 2001 was not received by Applicant. A copy thereof is attached hereto.
